

Fold your materials neatly towards the center.

Fold the inflatable in towards center 2-3 feet lengthwise.

Step on inflatable to walk the air out of the folded inflatable.

Walk several times length of inflatable to release air

Fold in loose remaining parts as you roll, keeping it tight as you roll

As you roll, tuck in all blower sleeves, and tie off pieces.

Once rolls, secure with tie downs that were sent with inflatable.

If inflatable was sent with a trailer, please put on trailer with all stakes, sandbags, tarps, and blowers sent.

Any items not returned will be charged against your deposit.
